Industrial Designer with a specialty in law.

Experience

SEPTEMBER 2022 – JULY 2025

Student Mentor B1/B2 | Industrial Design Department | TU/e

For multiple semesters I have been a mentor for first and second year bachelor students in Industrial Design. They could ask me questions and every two to three weeks I [taught them](#) about professional skills.

DECEMBER 2017 – AUGUST 2024

Student Manager | Woonbedrijf – Vestide | Eindhoven

For years I worked as a student manager for several hours per week in Aurora – an apartment building on the Campus of the Eindhoven University of Technology. Here, I [helped international students](#), for example with translating letters, questions about Dutch culture and solving disputes with neighbors. I also organized small events for tenants.

JUNE 2023 – NOVEMBER 2023

Technical Support | Staal Instruments (discontinued) | Eindhoven

For six months I worked at a start-up company, as a technical support employee. [Helping customers and companies](#) understand their data-systems, install products and physical or digital repairs.

OCTOBER 2022 & 2023

Dutch Design Week Host | Drivers of Change Expo | Eindhoven

During the Dutch Design Week of 2022 and 2023, I learned all about the projects in the exposition and talked to their creators. With this knowledge I [guided visitors](#) (tours), explained projects, and answered questions.

AUGUST 2022

Mentor Introweek | Industrial Design Department | TU/e

In the Introweek of the TU/e 2022, I [was responsible](#) for a group of nine new Industrial Design students. Together we did fun and educational activities.
